

**FLASH!! SPECIAL SUMMER BULLETIN**

**LA BOHEME**

We hope that you will all enjoy the opera in concert performance of Puccini's La Boheme at the National Arts Centre on July 20th, 22nd, and 24th. The NCOS, in conjunction with the NAC will be co-sponsoring a reception in the Fountain Room following the last performance on the 24th of July, 1987. Members are most welcome to come and meet singers such as David Rendall of the Metropolitan Opera. Please contact Marjorie Clegg at 594-2988 (H) after 6PM if you are interested in attending.

**OPERA VIDEO CLUB**

Anyone interested in participating in a group providing exchange of opera videotapes, please contact DAVID WILLIAMS at 722-6752. Admission to the club would be by purchase of one opera video for controlled circulation.

**AUCTION**

The Opera Celebrity Auction sponsored by the National Capital Opera Society was great fun and a reasonable financial success. Thanks to those of you who attended: we missed those who were unable to be with us. We need your support, too!

**OPERA ATELIER**

The NCOS was instrumental in arranging, in conjunction with the National Arts Centre, a performance of Charpentier's Acteon by Toronto's Opera Atelier. This opera, a glorious combination of opera and ballet in the true Baroque fashion, will be performed on November 13, 1987 at the Basilica. Reserve this important evening and don't miss it.

**OPERA IN MONTREAL**

Once again the NCOS will be sponsoring bus trips to opera in Montreal. The enclosed flier has the details; book early and come and join us!

**SPECIAL BULLETIN**

Your 1987-88 Board of Directors still has a few vacancies. We are looking for enthusiastic and energetic workers. Please contact us with ideas, suggestions, comments, or help.
